## **What we do...**

If you are a volunteer firefighter or EMS provider on Long Island and you have a child with a life-threatening illness or injury, we can help. Our focus is to provide financial assistance for medical expenses not covered by insurance. This is what we have been doing since 2009, and will continue to do with your support. We raise money through multiple fundraisers throughout the year. Whether it is hosting a night at a New York Islanders game, a haunted house, our annual tailgate event at Jones Beach or our annual golf outing. We work tirelessly to host these events so that we can continue with our mission to help those families in need.

The family in need is the direct recipient of our charity. Since our inception in 2009, we have given out over \$230,000 to those in need of our assistance.
